

# ARKANSAS WATER AT RISK

**Concerned about the quality  
of your drinking water?**

***We are too!***

*Safe, abundant and clean water – one of Arkansas’s greatest treasures – is at risk. Our lives, our economy and our natural heritage depend on us improving Arkansas’s water future.*

---

**Join us for dinner and discussion  
Friday, September 10, 5:30-8:00pm  
Camp Couchdale on Lake Catherine,  
301 Catherine Park Rd., Hot Springs, AR**

---

Experts will be on hand to talk about threats to our unique water resources, listen to and answer your questions and concerns, and hear your ideas about how to protect your drinking water and favorite lakes, rivers and streams.

**Find more information and RSVP at [www.ARPANEL.org](http://www.ARPANEL.org)  
or call 501-376-7913 ext. 10**

Hosted by the Arkansas Canoe Club and

A Coalition of Audubon Arkansas, Arkansas Public Policy Panel  
& The Nature Conservancy, Arkansas Field Office.  
Funded by the Winthrop Rockefeller Foundation.
